

Lakeview Elementary School: 475-7803

We had a wonderful start to the school year and we are excited to provide another excellent year of learning and growth for all of our students. We currently have 674 students attending Lakeview and we want to ensure they have a safe and secure learning environment. Our first count day is on Wednesday, September 29th. We appreciate all efforts to make sure students are here for the entire day.

We have practiced many safety drills during the first few weeks of school, including fire drills, tornado drills and a lock down drill. Please ask your child about these drills. Thank you so much for doing your part by honoring our Sign In/Sign Out procedures, as well as our Pick-Up procedures.

I would like to invite you to the ribbon cutting ceremony to be held on October 6th at 9:00 a.m. on the north playground. We are so appreciative of the teamwork and efforts of our Lakeview Community! The children love, love, love the new play structure!

Lakeview Power Hour will be returning this year. Please watch for notices to arrive home with your child near mid-October. We will hold Power Hours after we complete MEAP Testing. Although MEAP testing can be somewhat trying and tiring for students, it is a wonderful way to assess growth and learning in academics.

We welcome all parents to volunteer or join our parent/teacher organization. Our LPTP (Lakeview Parent Teacher Partnership) has been in existence for many years and strives to serve all the students at Lakeview. Please feel free to contact me at school if you have questions or concerns regarding your child.

Mrs. Peterson  
Principal

"We keep moving forward. Opening new doors, and doing new things, because we're curious and curiosity leads us down new paths."  
~Walt Disney

Welcome back to open doors here at Lakeview School! We are so excited to embark on a new path, our 2010-2011 school year! As our youngsters become adventurous and try new things, feeding their curiosity, we can all work together to encourage them to put their best foot forward! We will continue to recognize our phenomenal student behavior through the administration of Gold Slips in appreciation to those whom demonstrate their Miner Traits:

### RESPECT, RESPONSIBILITY, REMEMBER SAFETY

Working together to discuss and encourage these traits will undoubtedly set our students, your children, up for academic and social success! We are so happy to be taking this journey with you! **Welcome Back To School!!!!**

Assistant Principal

#### You can help Lakeview School!

Check the list below for items you use daily in your home, bring them in to school, and help Lakeview receive money towards school supplies and playground equipment. Drop off the following at the S.H.I.N.E. office:

**Box Tops For Education** - UPC barcodes off many food products and now off AVERY supplies;

**Labels For Education** - UPC barcodes off Campbells, Swanson, V8, Prego, Pepperidge Farm, Swanson and Spaghetti O's products. **New this year, clip the UPC code off BIC stationary products and Pop Secret;**

**Our Family Labels For Learning** - UPC barcodes off Econo Foods "Our Family" brand products;

**Econo Foods Grocery Receipts** - Bring in your receipts from Econo Foods;

**GFS** - If you shop at GFS, make sure you have signed up for a "Fun Funds" card and present it every time you shop. This helps the LPTP raise additional funds for projects throughout the year;

**Milk Caps** - Collect milk caps from Foremost Farms (Caps & Cash For Kids) and Kemps (Give 'Em Five);

**Coke Products Points** - Register and donate points online at [mycokerewards.com](http://mycokerewards.com) and select Lakeview School as your choice, or turn in your points to the S.H.I.N.E. office and we will donate them. Codes are found on hundreds of packages and caps for brands like Dasani, Sprite, Minute Maid, Powerade, Coke, and more. With your help, our school will be able to purchase P.E. equipment, art supplies, educational resources, and more.

The S.H.I.N.E. Volunteer Office is looking for help with the following upcoming activities:

**Fluoride Volunteers:** Help with fluoride distribution on Wednesday mornings for about one hour, once per month.

**Library Helpers:** Help every Tuesday afternoon from 1:00 - 3:15. This is a weekly commitment.

Volunteers to help at the Clothing Resale on October 23 & 24.

Contact Diane at the S.H.I.N.E. Volunteer office at 475-0229 if you are interested.

**What:** The Marquette County Health Depart. Flu Shot Clinic

**When:** Friday, October 8, 2010

**Where/Time:**

Lakeview Elementary 2:30-4:00 Cafeteria

Middle School 12:30-2:00 Cafeteria

High School 9:00-11:00 Gym

**Who:** Recommended for everyone, including people with chronic illness, i.e. asthma, diabetes, heart conditions or anyone living with an infant or an elderly relative.

This year the flu shot will be combined with the seasonal and H1N1 flu. The cost of the vaccine will only be \$8 for students and \$25 for adults.

Permission slips are located in the front office. Students must have a permission slip signed in order to receive the vaccine and make payment at the time of the clinic.

If you have any questions, please contact Ronda Mattila, Health Coordinator, at 475-7803, ext. 105.

Please take advantage of this wonderful opportunity and be proactive about preventing the spread of the flu this year.

#### LAKEVIEW MEAP DATES

Tuesday, October 12	Grades 3,4,5
Wednesday, October 13	Grades 3,4,5
Thursday, October 14	Grades 3,4,5
Tuesday, October 19	Grade 4
Wednesday, October 20	Grades 4,5

Attendance during MEAP testing is very important. We ask that you make every effort to have your children here on these dates, with the exception of poor health.

Please be sure that your child is well-rested and has received a hearty, nutritious breakfast. Thank you!

## SMOKE ALARMS: A SOUND YOU CAN LIVE WITH

This is the 2010 National Theme for Fire Prevention Week, October 3 - 9. It's a fact: Smoke alarms can cut your risk of dying in a home fire in half! When it comes to fire safety, there's nothing more important than early notification of the least amount of smoke in the beginning stages of a home fire. However, not having the smoke detector working is like not having one at all. Smoke alarm failure is usually because the batteries are missing, dead, or disconnected. Forty percent of home fire deaths happen in homes with no smoke alarms. Another 23% happen in homes with smoke alarms that do not work. Remember two key rules to follow which will keep your smoke detectors working the way they should:

1. Test your detectors at least once per month; it only takes two seconds.
2. Change the battery in your detectors at least twice per year. (I suggest changing your smoke detector batteries when you move your clocks in the Spring and Fall.)

The smoke alarm unit itself should be replaced every ten years or sooner if they don't respond to monthly tests with a fresh battery. It's sad to think that for a \$5.00 investment, a life could have been saved. The Negaunee City and Township Fire Departments are committed to educating the importance of fire safety to your children in the Negaunee Schools. We will do whatever we can to reduce the number of home fire deaths, but we will need help from all of you to do it! Please test your detectors; it's a sound we can all live with. For more information on fire safety and smoke detectors, you can contact your local fire department or go online to the NFPA (National Fire Protection Agency), at [www.nfpa.org](http://www.nfpa.org) or [www.sparky.org](http://www.sparky.org).

All second graders will receive training on the Fire Safety House (or Smoke House) as the kids call it. This unique fire training, which is sponsored by the fire departments in Negaunee Township and City, will give the children a "hands on" look at how to quickly and safely escape a home fire. The program starts with a short briefing and instruction on what they are about to partake in, followed by a short video on the ABC's of fire safety. The importance of smoke detectors in the home for early warning will be demonstrated and then the students will actually crawl out of the Safety House that will be completely filled with a "safe" smoke. This once-a-year program is one that every second grader should not miss. Permission slips must be returned to school by the day of the demonstration. The dates for the safety house will be Wednesday, October 6, Thursday, October 7, and Monday, October 11.

### A Note From Your LPTP Board...

With another school year in full swing, the LPTP (Lakeview Parent Teacher Partnership) would like to welcome everyone back. We hope that you have had a chance to enjoy the new playground with your child and will join us in the Ribbon Cutting before school on October 6th. This new playground was made possible through parent and community donations, Lakeview Student Council funds from the sinking fund and LPTP fundraisers.

Last spring the LPTP became aware of the many changes that would be going on in our building. We looked at many possibilities, and decided that we needed to keep as many of the programs as possible in our school. With that in mind it was discussed with administration that we would like to help with the cost of maintaining a S.H.I.N.E. coordinator position. At that time it was also decided that NO STUDENT DRIVEN FUNDS would be used for this purpose. So we are happy to announce that publishing center, popcorn, library volunteers, Fluoride, lice checks, birthday boards, laminating.....and many more programs will continue. With your understanding and support we are sure we will be able to keep the valuable programs at the level the students and teachers expect.

We would encourage you to attend our LPTP meetings that take place in the media center at 6 p.m. on the third Wednesday of each month. Our next meeting will be October 20th and we hope to see you there!

Karen Prusi - President, Barb Oglesby - Vice President, Jessica Lake - Secretary, Billie Jo Heggaton - Treasurer
