

"Peace is not something you wish for; it's something you make, something you do, something you are, and something you give away."

~ Robert Fulghum

We certainly had "A Blizzard of Peace" at Lakeview this Christmas season. Students sang about peace and goodwill. Students collected food for local food pantries. They donated quarters to help with the Giving Tree. Students will perform at community nursing homes. Our students know and treasure the value of peace and goodwill.

May you and your family have a peaceful and rejuvenating Christmas season. We are proud to be part of the peace-giving Lakeview School Community!

Merry Christmas,

Mrs. Peterson, Principal

Mrs. Boase, Assistant Principal

"THE LAKEVIEW LINK"

When your child is studying cultures different from his or her own, make it a point to look up a recipe from the specific culture. This creates understanding and tolerance of differences. Together, create a meal that is specific to that particular culture. Enjoy!

During the holiday season, don't forget to save items for Lakeview!

As you bake and purchase your holiday supplies, remember to help Lakeview School by saving the following:

Another Successful Growing Season

As we distribute the gifts donated by our generous sponsors this week, we thank you for supporting the Giving Tree. Whether you sponsored a child or contributed to the Giving Tree fund, your kindness has made a difference this holiday season in the hearts and lives of many families.

A great BIG thank you goes out to The Highland Clan Motorcycle Club for their contributions to our program. The many toys, games, and pieces of sports equipment will certainly make for a happy Christmas for many children. Your generosity is inspiring!
