With every ending, there is a new beginning!

As the 2009-2010 school year comes to an end and we anticipate the beginning of summer fun, we feel it is a perfect opportunity to reflect on the growth we have witnessed first-hand amongst Lakeview students, and within our own experiences this year.

First off, I, Mrs. Peterson, would like to thank the staff, parents, and students that make Lakeview so special for welcoming me into the position of Principal. I came from a very small district and must say that, despite the size of Lakeview, it has such a warm feeling of community and support, one would never guess it houses almost 700 students! Lakeview is home!

As the Assistant Principal for just my second year at Lakeview, I, Mrs. Boase, will again thank all of you that work so hard, **with us**, to educate and nurture your children. I encourage you to use the summer to continue discussions involving character education and our Miner Traits and I look forward to seeing all of you back for the 2010-2011 school year!

We thank you for a wonderful year! Enjoy your summer!

Sincerely,

Mrs. Peterson and Mrs. Boase
