

A decorative border of stylized red apples with green leaves surrounds the text. The apples are arranged in a grid-like pattern, with some overlapping. The text is centered within this border.

LAKEVIEW ELEMENTARY SCHOOL

200 Croix Street, Negaunee, MI 49866

Spring 2010

Dear Lakeview Alumni,

We are writing this letter on behalf of the Lakeview Elementary students. They have been raising money to upgrade their playground for the past two years. Through fall fundraising activities they have raised \$25,000.00 toward the purchase of new equipment for the large playground.

The school is willing to help with this endeavor but is limited in resources due to budget constraints. We are anticipating some assistance from school funds but know that we still need to bring in at least \$25,000.00.

We would like to begin work on our new playground this summer so it is ready for our students in the fall. With all the efforts of wellness and healthy kids we would like to be ready to encourage our students to exercise and enjoy the outdoors for the start of the school year.

We are so fortunate here at Lakeview because so many always give so freely. In the past when donations were accepted for playground projects, donors were acknowledged by having their name placed on the swing set commemorative display in the elementary hallway.

We will also be acknowledging our donors for this playground project. We will be placing this commemorative display in the hallway near the Lakeview Memorial Gym. Included is a form that explains how you are able to invest in our children.

We appreciate the time and consideration you will give this donation request. If you have any questions feel free to contact us at Lakeview Elementary, 475-7803. Thank you so much for investing in the future of Negaunee.

Sincerely,

Julie Peterson, Principal
Diane Faust, S.H.I.N.E. Coordinator
