II. Old Business:

Spring Craft Sale Update: Attendance was down from the Christmas sale in December. It was agreed that we would put our efforts/focus next year into the December sale. We did make approximately \$ 650.00 from the sale.

Talent Showcase Update: It was discussed how much better the audience was since it was in the auditorium and not in the gym in conjunction with the Ice Cream Social. We will need to tweak some aspects to have next year run more smoothly.

Cream Social/Art Show Update: We had a record number of ice cream sales this year in comparison to several years' totals. We will need to be more prepared with supplies next year and fax over our order information to Jilberts the morning of the event to make sure they are prepared for our pick-up. The Art Show was a huge success. We will look to include this again next year.

III. New Business:

Technology Request: Julie Peterson presented the group with a request to purchase projectors and hardware to mount them in all regular education classrooms. The cost would be approximately 9,500-10,000. Jess Peterson
