Upcoming Events at Lakeview

Student Count Day is Wednesday, October 4th!

Please make every effort to have your child in school for a full day!

Please send your children with jackets and appropriate clothing for playing outdoors.

Although we've been spoiled with warm weather, the mornings can be quite chilly!

Project: Keep Kids Warm

2017 Fire Prevention Week
October 9th – 13th

"Every Second Counts…Plan 2 Ways Out." This is the National Fire Safety theme for 2017.
Did you know that three out of five home fire deaths result from fires in homes with no smoke detectors? Over half of home fire deaths result from fires reported between 11p.m. and 7 a.m. when people are asleep. Having a plan to include two ways out of every room is just as important as having smoke detectors and an escape plan.

This year, the Negaunee Township Fire Department, the Negaunee City Fire Department, and the Richmond Township Fire Department will not only be instructing students on the importance of always having two ways out of every room, but also on including that in your escape plan. Every sleeping area should ALWAYS have two ways out. Your home is no exception.
All door openings and windows must be clear of any obstructions and fully operational at all times. Your life may depend on it!

Again, we want families to get involved by not only sitting down and making a plan, but by practicing it as well. On Thursday, October 5th, all students at Lakeview School and 5th grade students at NMS will be coming home with instructions and a home fire escape grid.
We are asking families to sit down together and draw out your plan.

Then at 7 p.m. on Monday, October 9th we ask that you do a practice drill to see how your plan will work. During this time, all three Fire Departments will be driving down as many streets as possible while sounding their sirens to officially start your drill. We want to see as any families as possible standing outside at their meeting place as we drive past your home. When you've completed your drill, we suggest having a discussion and ironing out any problems you may have run into during your practice drill. It's very important that you work them out so they aren't an issue if you were to experience a real fire.

Further instructions will be sent home with children on October 5th.
We ask that you return your home escape plan by Friday, October 13th.
The class from each grade with the highest participation will be rewarded with a Pizza Party the week of October 23rd. The Pizza Party is a "thank you" from the Fire Departments for your participation.
The reward for the firefighters is knowing that your families will be prepared should a fire ever take place in your home. It's all about saving lives!

If you have any questions, please contact your local fire department.
