

*Did you miss your district's
FREE PRESCHOOL SCREENING this Spring???*

NO PROBLEM!!

*Summer Preschool Screening Set for
August 21, 2018 at Lakeview Elementary for
West End Districts*

*Open to Negaunee, Ishpeming, NICE, &
Republic-Michigamme School Districts*

Preschool Screening is an opportunity for you to find out how your child is progressing in his/her development. It is also a chance for you to determine how your child's school readiness is moving forward. Vision & hearing screenings are also conducted.

Preschool Screening is for all children who will be 3 or 4 years old by September 1, 2018. If you are a Negaunee, Ishpeming, NICE, or Republic-Michigamme resident, please schedule a time with us! If your child was screened in the Spring, he/she does not need to take part in this screening.

A common myth is that preschool screening is only for children needing or eligible for special programs such as Head Start, Great Start Readiness Program, or Early Childhood Special Education programs. This is not the case...your local school district encourages all children 3 or 4 years of age on or before September 1, 2018 to take advantage of this opportunity to learn more about your child's development!
