

We are told that spring is around the corner, which corner we aren't certain... but as we wait for its arrival, we will begin celebrating Reading Month as a whole school community. Please review the calendar sent home in the family reading bag. Reading month holds many activities & dress up days to get us through the remainder of winter & into Spring Break!

Today concludes our second trimester. Report cards will go home with your child on March 6th. Thank you for taking the time to sign & return the report card envelope. Please contact your child's teacher if you have concerns or questions regarding the academic & social growth for this reporting period. When families & school staff work together, children reap great benefits!

We will be very busy from now until the end of the year. We will be participating in many activities such as: Young Author's, Art show, Ice Cream Social, Scholastic Book Fair, Spring Concert, Laps for Lakeview, Daddy/Daughter Dance, & our school wide picnic. Of course we will stay focused on teaching & learning so students are able to show great growth by the end of the school year. Student growth has been amazing thus far due to outstanding teaching staff & supportive families.

We are pleased to inform you that Junior Kindergarten & Kindergarten registration is bringing several new families to Lakeview next fall. If you know of anyone in your neighborhood that may not have received a flyer regarding Kindergarten registration night, please ask them to call the office. Thank you for spreading the word & welcoming new students into our school community.

THINK SPRING,
Mrs. Peterson & Mrs. Sandstrom
